DRAGONS

The logo features a thick orange horizontal bar at the top. The left end of the bar is decorated with four parallel diagonal lines. The word "PRIORITY" is written in a bold, white, italicized sans-serif font across the middle of the bar. To the right of the word, the bar curves downwards to form the shape of a truck's front end, including the hood and a large wheel. Below this graphic, the letters "Y&T" are written in a white, italicized sans-serif font.

PRIORITY Y&T
